Thanks, Michael –

Gina said the 8am was a call with Region 6. Has that been changed to a call with Joan? If so, I'll come down.

Hi:

I think you've received this already, but just in case. Laura F is working on an update and that should go out to the distribution list and the EPA OSC website also. You have to log in to see it, I believe. Also, there is an update meeting for Joan Card at 8 this morning. Thanks!
